NO TOUCH
SYSTEM

Soavex[®] *Professional*

YOUR TOUCHLESS HYGIENE

Soavex Professional is the new dispensing system ready to meet the growing needs of the market in terms of guaranteed hygiene, cost of use and autonomy.

A RANGE OF NO-TOUCH DISPENSERS WITH A MODERN, INNOVATIVE, TECHNOLOGICAL AND PRACTICAL DESIGN.

The ideal solution to guarantee concrete benefits to your business by combining maximum efficiency, high autonomy, cost control in every sector.

HYGIENE

Each solution is designed to ensure the no-touch functionality and the complete isolation of the refill inside the dispenser.

EFFICIENCY

A system which allows to obtain a precise quantification of the costs of use and a reduction of the waste.

AUTONOMY

An innovative dispensing system, which combines the absolute reliability of the devices, the reduced frequency of recharging and a long battery life.
